JABRA GN1900 USB

DATASHEET

SIMPLE TO USE. VALUE-LINE USB SOLUTION.

- Optimized for the cost-conscious contact center
- Lightweight, sturdy design and professional quality
- Plug and play USB solution with wideband sound
- Noise-canceling microphone for noisy environments
- Choice of mono or duo for individual optimization

The Jabra GN1900 USB delivers professional performance and exceptional value. It is the cost-effective headset investment decision that doesn't compromise on quality. Designed for contact center use, the Jabra GN1900 USB increases agent productivity and performance. Its noise canceling microphone ensures that background noise from your work environment will not be transmitted to your customers' ears.

The headset comes complete with USB plug for instant PC connectivity. Simply connect the headset to the computer and you're ready to profit from the Jabra GN1900 USB's low cost of ownership. The Jabra GN1900 USB is available in both mono and duo and its multiple adjustment points make it truly adaptable to individual preferences. Its headband wearing style combined with a lightweight design ensures all-day comfort – even in very telephony-intensive environments.
The Jabra GN1900 Series is also available in a QD (Quick Disconnect) variant.

JABRA GN1900 USB

FEATURES & BENEFITS

FEATURE	BENEFIT
Professional quality	Designed throughout for telephone-intensive use, the Jabra GN1900 USB is exceptionally durable. And at less than 40 g/1,4 oz (mono), it's still easy to use all day
Sound quality	Great wideband sound quality
Lightweight, sturdy design	Comfortable, yet sturdy materials provide professional quality and good user experience
Noise-canceling microphone	The headset's noise-canceling microphone filters out unwanted background noise, making it ideal for use in louder work environments
Adjustable speaker chambers	Flexible adjustment to the ear for optimal coupling
PeakStop™ technology	Acoustic shock protection against sudden, loud noises
Boom arm with 270° rotation	Flexibility to ensure optimal microphone positioning. 270 degree movement in both directions supports left and right wearing styles
In-line USB control	Easy to access buttons for mute and volume adjustment
Flexible boom arm tip	The flexible tip of the boom arm ensures ideal microphone placement
2-year warranty	With GN Netcom's no fine print 2-year warranty, you'll enjoy worry-free ownership
